# BUS ROUTES

John Lyon runs a number of School Buses to transport pupils to school in the morning with a scheduled arrival time of 8:20 and home again at the end of a normal school day, departing at 4:10 from Lower Road.

The list of routes for 2017-18 is below. These routes are adjusted annually in late August to take account of those actually travelling, and there is no absolute guarantee that a given stop will be available from one year to the next.

Where possible, pick-up points are located at TfL bus stops. Homeward routes may vary slightly to take account of those pupils actually travelling and one-way systems. New routes are considered where there is adequate demand.

The service is offered on an annual basis; however morning only or evening only requests can be accommodated. The cost for 2017-18 is £440 per term for the return journey; £325 per term for one-way.
