

School Coach Service

2022 - 2023

**JOHN

HARROW-ON-THE-HILL

Welcome

Dear Parents / Guardians,

Thank you for taking the time to look at our School Transport and Travel Guide for the 2022-2023 academic year. This is our second version of such a guide, which sets out the wide range of travel options available to the students at John Lyon School.

As ever, this guide provides an overview of the school coach network, and also contains further details including fare and timetable information. All bookings for all routes can be made via the dedicated transport website at johnlyon.vectare.co.uk. This website allows you to enter your postcode, find your closest stop and see bespoke travel information for your child's journey to school. Bookings can be made 24/7, and from anywhere in the world, meaning that if you need to leave early for work one morning or you're running late and you would like your child to travel on the school coach service as a one off, you can still make a booking. For all school coach routes the fares are simply charged on a credit or debit card at the time of booking. If booking on a mobile device, bookings can also be made using Apple and Android Pay. This means that bookings can be made in a matter of minutes. This also means that your child doesn't need to carry cash; their name will simply be added to the driver's register.

Many students continue to speak to us about the need for sustainable travel options, and whilst many students currently travel via public transport, we recognise that it is just not feasible for all. As such, the school coach service is designed to help.

For September 2022, we have added a pickup and drop off at Harrow-on-the-Hill Station to provide an alternative option for students who catch the train into Harrow and also a quicker and safer route to the station in the evenings. As always, all routes will operate subject to demand.

I hope that you are able to find a travel solution that works for you and your child. If you need any further assistance, or you would like to discuss travel options from areas not currently served by our school coach network, please Contact Us via the school transport website and we will be pleased to assist.

Kind regards,

Gareth Mawdsley
Chief Operating Officer

Five Star Service

All of our vehicles are modern, easy-to-board and are operated by the school or our approved operators. This means that they are all regularly maintained to the highest standard, giving you peace of mind that your child is travelling in safety.

We use dedicated drivers who work on the same route. These drivers get to know the pupils and are subject to an enhanced disclosure and barring service (DBS) check and full MiDAS / CPC training.

We offer a wide range of different tickets on our school coach service. From a single fare for a one off journey through to return passes for the entire academic year, there are options for everybody's travel arrangements. You can book tickets at any time throughout the year, so it's simple to book an extra journey or arrange travel for a visiting friend.

Our school coach network consists of 25+ coach stops, and we also have direct links from 2 National Rail stations, 10 London Underground stations and a London Overground line. We want to offer you a travel solution that works for you and your child, so if you need any assistance working out the best route to school then please do get in touch.

It takes less than 30 seconds to find your nearest coach stop online, and booking takes only a few minutes, so all of the information you need to arrange travel for your child really is at your fingertips. To find your nearest stop or to book your child's travel visit johnlyon.vectare.co.uk.

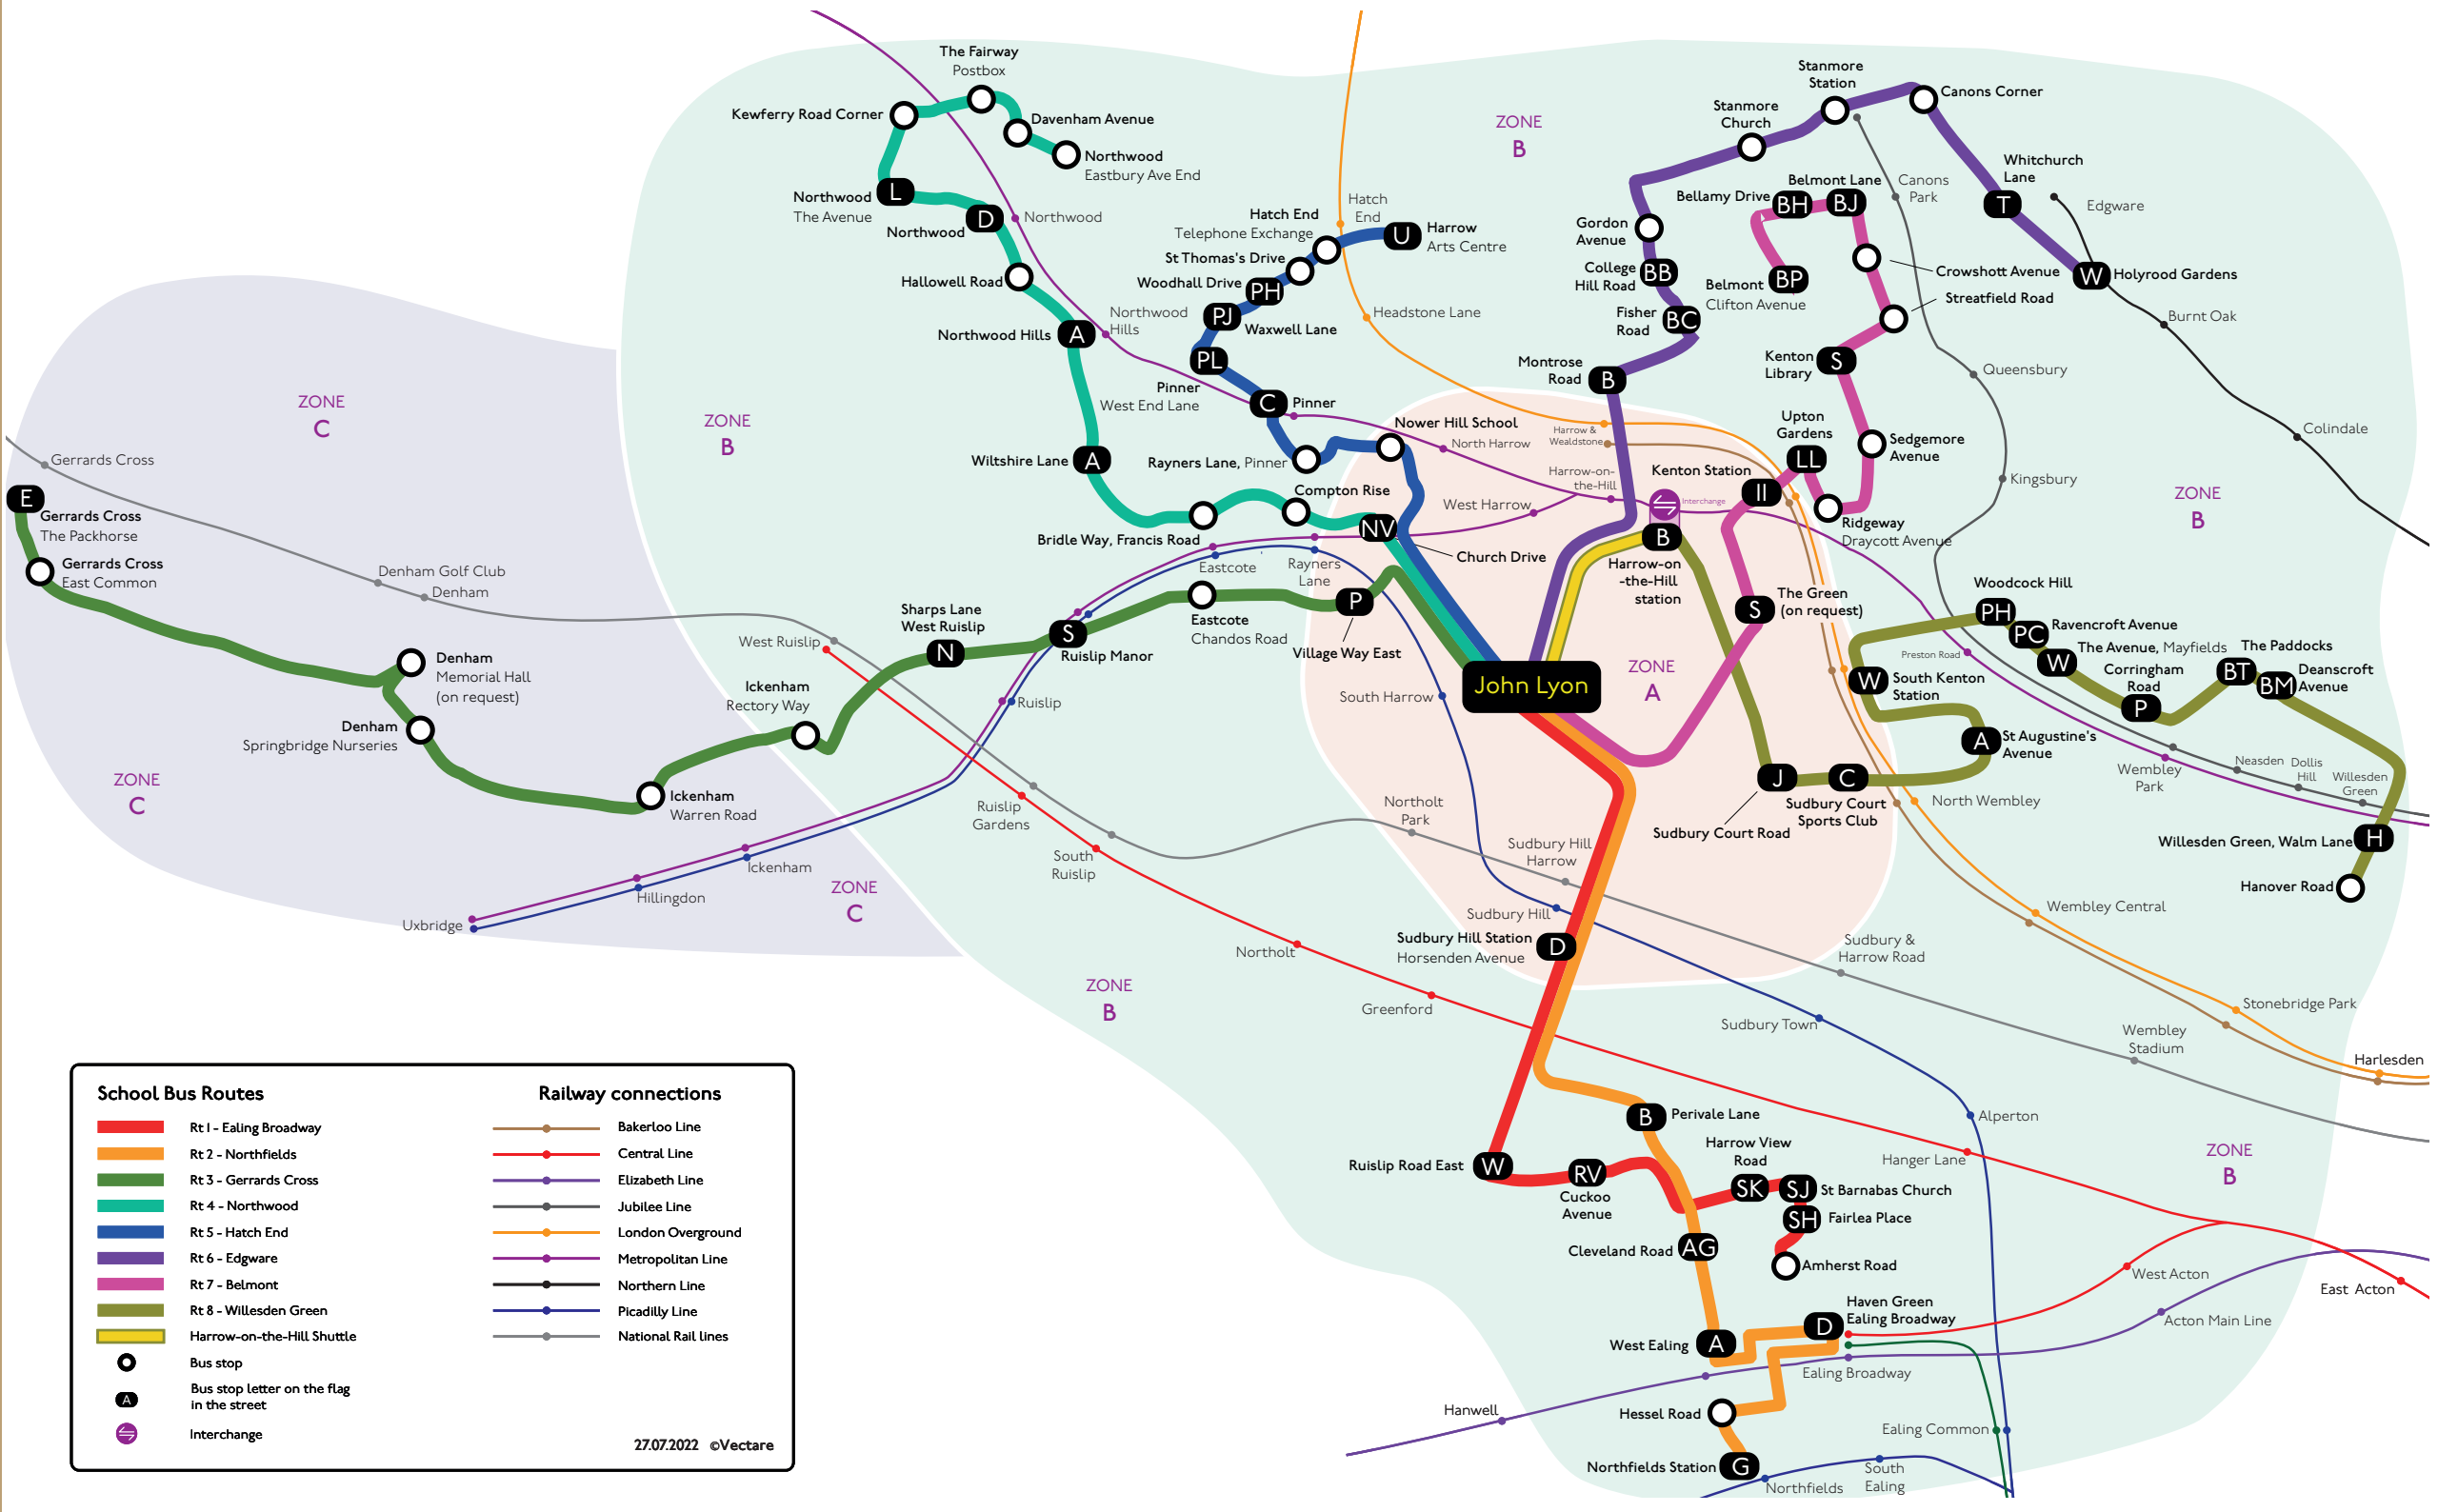

London Underground, London Overground and National Rail Connections

Our coach service integrates with several rail-based transport modes at key points across the network. Students can interchange from the Central, District, Piccadilly, Jubilee, Metropolitan lines of the London Underground, and the network also serves a number of major National Rail stations.

If you would like more detailed, bespoke information about potential journey opportunities that involve travel by rail and then the school coach, please do not hesitate to Contact Us by using the Contact Us form online. Vectare will be able to assist with timetable and journey information and planning. Where possible, we will endeavour to ensure that a guaranteed connection is made between the train and coach, ensuring that the journey is as seamless as possible.

Further routes

If you cannot find a travel option that works for you and your child, please contact Vectare. They will do their best to ensure that the journey to and from school is as seamless, straightforward and easy as possible. In some instances, it might not be possible for your child to travel to school by coach, in which case, Vectare will register your interest and let you know if we are able to operate a service in the future. Our intention is to increase our Coach Service substantially over the next few years, to the extent that we can accommodate most parental requests.

Fares

	Zone A	Zone B	Zone C
Single journey (one off)	£6.50	£7.00	£8.00
Annual Pass (AM or PM only)	£1,169.37	£1,242.81	£1,378.48
Annual Pass (return)	£1,610.00	£1,722.98	£1,948.96

The most cost effective travel option for students is to purchase an annual return coach pass. These are available at a significant discount compared with purchasing ad hoc travel. A smaller discount is also available for those purchasing annual coach passes for one direction only (AM or PM). The cost per journey is higher for ad hoc journeys due to the variable nature of this travel requirement. All annual coach passes can be paid termly, so you don't have to pay for the entire coach pass up front.

	Harrow on the Hill Station
Single journey (one off)	£2.50

Good conduct is required at all times. Bullying, shouting, use of foul language, dropping litter, playing music, or any other misbehaviour is strictly forbidden.
13.

Except when embarking or disembarking, or when asked to move to a different seat in accordance with condition 14, all passengers must remain seated with their seatbelts fastened correctly.
14.

Whilst on a School Coach, all passengers must accept without question the authority of a member of John Lyon School staff, transport company official, or school prefect, who may require them to obey any reasonable instruction such as to pick up litter, desist from certain actions or to move to a different seat.
15.

Failure to comply with these conditions may result in disciplinary action, including temporary or permanent withdrawal of permission to use the School Coach Service.
16.

John Lyon aims for 95% of journeys to operate within the industry window of tolerance of one minute early to five minutes late, however timings may vary due to traffic conditions or unforeseen circumstances. Drivers will not wait past the scheduled departure time at any coach stop.
