JOHN LYON VALUES

At John Lyon we go beyond the norm, extending our welcome to enable families of pupils and Old Lyonians to participate and benefit from being part of the Lyonian Association alongside Old Lyonians, Parents, Staff and Governors. Continued support from this community ensures that the School goes from strength to strength with John Lyon's founding ethos at the heart of everything we do. John Lyon is a dynamic school with a clear set of values that shape who we are, what we do and how we do it.

AMBITION

Aim high and exceed expectations.

EXCELLENCE

Achieve excellence in endeavours.

INNOVATION

Willing to be bold, experiment and be resourceful.

RESOLVE

Capacity to embrace adversity, recover quickly, and learn from the experience.

HERITAGE

Strong moral code and pride in the charitable history of the School's founder.

COMMUNITY

Compassionate and respectful, looking after both each other and our wider community.

ENQUIRY

Enquiring minds and a love of learning.

CREATIVITY

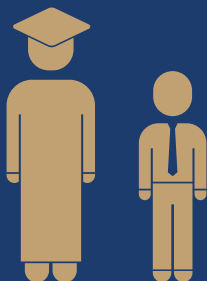

Explore, use imagination and be inventive.

THE 1876 FUND

The community continues to grow to keep forging forwards and offering opportunities for everyone within the Lyonian Association to support current and future generations of pupils at John Lyon. The generosity of the community dates back to 1876, when John Lyon's original charter was re-established to provide education for local boys. Over 140 years on, and countless lives have been changed for the better.

The 1876 Fund supports in distinct projects that directly impact John Lyon pupils.

1876 Fund donations are accumulated into the Development Trust Fund and used to complete varying projects around School that are 'over and above'. To qualify for funding, projects must be beyond the scope of typical budgets and the standard curriculum and they must benefit a broad range of current pupils. The projects are approved by the Board of Governors.

FUNDED PROJECTS

We will deploy £14,000 of the current total of £26,400* in the first projects over 2017 and 2018.

1876 READING ROOM

The Excellence Programme is a new initiative and approach to enrichment for able and keen learners. It embodies all the very best qualities a student can strive for, supported by inspirational and dynamic teaching. It opens opportunities for a broad range of pupils, including those who may not get the top marks but demonstrate enthusiasm and motivation that can be nurtured to produce excellent results. Located in the Red House, the 1876 Reading Room has been designed for exclusive use of boys on the Excellence Programme and provides access to a variety of books, publications and research for furthering knowledge in a peaceful space. The décor of the room is in keeping with the heritage of the Red House and the School.

MUSIC SCHOOL PIPE ORGAN

The pipe organ will be used for leading hymn singing, accompanying the Motet

* Cumulative balance to 31 August 2017

Choir and String Ensemble. Pupils will have the opportunity to learn organ playing as a one-to-one instrument as well as participate in a Baroque Ensemble. Alongside the Steinway and Boston pianos, the pipe organ will complete a superb array of John Lyon keyboard instruments making a significant difference to the Music programme.

STEAM LEEDS MECHANICS KIT

STEAM is another exciting new part of the curriculum that uses Science, Technology, Engineering, Arts and Mathematics as

access points for guiding student enquiry, dialogue and critical thinking. Pupils will work in groups to design and build solutions to real life problems. Skills to be gained include taking thoughtful risks, engaging in experiential learning, persisting in problem solving and embracing collaboration. A Leeds Mechanics Kit will bridge the gap between the theoretical understanding of mechanics and physical understanding and facilitate demonstrations within the classroom to investigate linear and rotational mechanics.

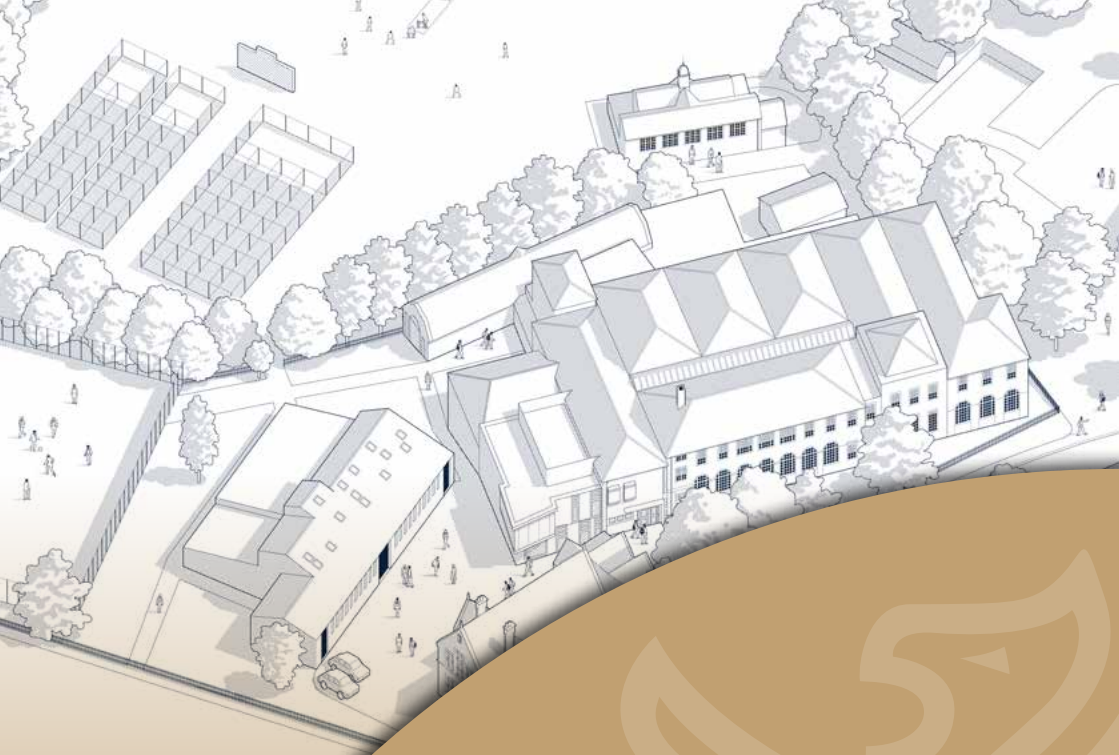

HOW YOU CAN GET INVOLVED

In celebration of the founding year of the School, we ask you to support us by giving a monthly gift of **£18.76**. Through regular giving we will grow the fund and execute a range of projects every year to broaden the experience of current and future John Lyon pupils.

Support from the Lyonian Association will build the 1876 Fund, enabling spending in multiple meaningful projects in years to come. We are very grateful to all those who already support us. Every contribution makes a difference.

If you would like to make a regular gift of **£18.76** a month, or any other amount, please complete the forms included.

“

John Lyon's 1876 Fund provides an opportunity for parents, Old Lyonians and friends of the School to support small projects through regular giving. The range of small projects is varied, and all will benefit pupils by enhancing the educational experience that John Lyon provides. We relish the opportunity of showing 1876 Fund contributors the ways in which you can get involved, so that you can be part of making a positive difference to pupils' experiences at School. We hope that with your help our 1876 Fund will be successful as we look towards the School's future.

”
