

John Lyon operates six return coach services for pupils from various locations, operated on behalf of the School by Brent Community Transport (BCT).

Details for the current School year's service (2019 - 2020) are shown on this page and overleaf.

Coaches arrive at School in the morning at approximately 8.20am and depart at the end of the School day at 4.10pm. Where possible, pick-up and drop-off points are located at TfL bus stops.

Each coach route, collection time and pick-up point, can change slightly from year-to-year depending on the home location of pupils using the service. New routes are considered where there is adequate demand.

The service is offered on an annual basis with morning only or evening only requests accommodated where possible. Please note that a full term's notice is required for changes to or cancellation of the service. Spaces are at a premium and are allocated on a first come first served basis.

Information on the cost of the coach service can be found at www.johnlyon.org/fees

For more detailed information and to reserve a place please contact the Brent Community Transport at johnlyonbus@bctaccessibletravel.london or 0203 114 7022.
