

SWIMMING POOL

SWIMMING POOL

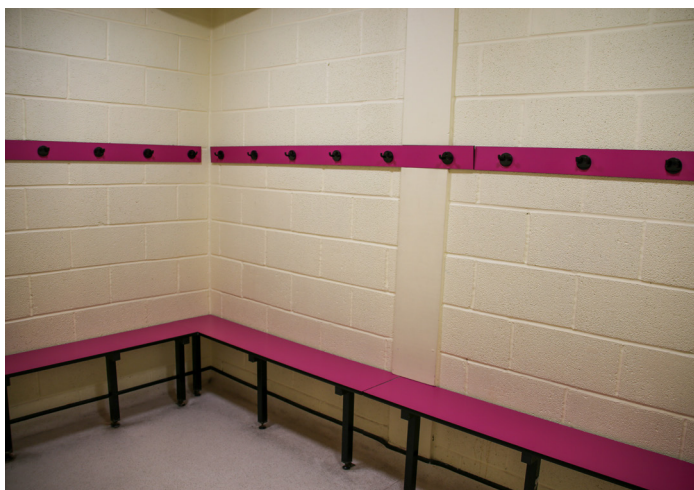

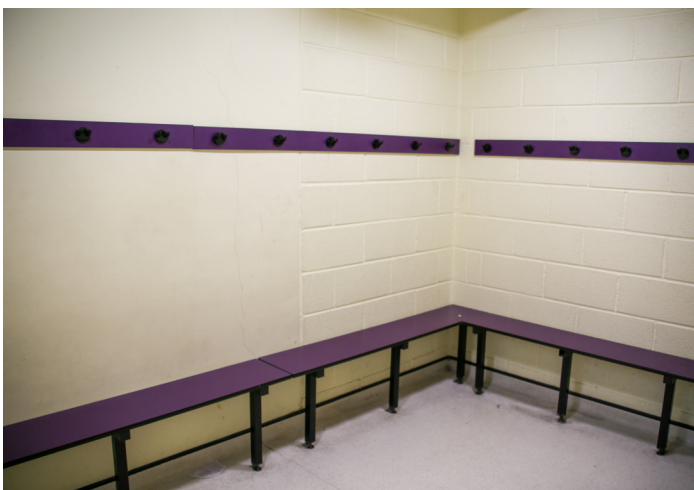

Our heated-swimming pool is suitable for babies, children and adults, ideal for swim lessons, water sports or clubs. The pool ranges in depth from 0.8m at the shallow end to 1.5m at the deepest point. Alongside the pool we have a small seating area and changing rooms, with baby changing facilities. Access to the pool is through a separate digital coded gate.

Please note: all hirers will be required to provide lifeguard provisions, and specify the age of children and group size when enquiring.

There is limited parking available on site, and we advise you to review the parking restrictions and availability in and around the surrounding area.

The pool is available for external hire:

Monday to Friday 6.30pm – 9.00pm. Saturday and Sunday 9.00am – 5.00pm.
